

BECOME A MEMBER OF GLOSSOP HERITAGE TRUST

The Trust was founded in 1986 by volunteers, whose aim was to preserve the town's unique heritage, including its connection with the Dukes of Norfolk. Over the years the Trust has gathered many archives in the form of documents, photographs, newspapers and artefacts. These archives show how the town, its setting and its people have developed in its known ten thousand year history.

Currently, the volunteers of the Trust are working on digitising records to enable them to be more accessible whilst preserving the originals. Local schools have "memorabilia boxes" on topics such as the World Wars, the Melandra Roman Fort and the towns mill history so that pupils can "see" and "feel" artefacts from their ancestors past.

Through our web site our experienced researchers are helping people worldwide find out about their ancestor's connection to the town and the part they played in its development. Talks are given to local groups on all aspects of the area's history.

Work is always ongoing in producing publications for sale and, of course, our sought after calendar which depicts not only a full colour view of some much loved building or area of the town but also a black and white view comparable to the main picture and "snippets" of historical information.

Have you considered becoming a Member of Glossop Heritage Trust? Your membership will be very valuable and will help towards its sustainable future. For a subscription of only £10 per annum you can register as a Member.
